About This Game

ABOUT

DownFall is a FREE Half-Life 2 single-player mod taking place in the White Forest surroundings. You're once more putting on the HEV suit as Gordon Freeman. Your mission is to recover a newly developed technology by the resistance, known as the "citadel buster", before the Combine manage to destroy it.

WHAT TO EXPECT?

A high-quality Half-Life 2 mod, taking place in new locations while staying true to Valve's design. Chapter 1 is available now, it's short but sweet, with an average playtime of ~35 minutes.

THE FUTURE

While the initial release is short, there's an additional 2 chapters coming in the future at an estimated length of 40 minutes each. There is no ETA when the next chapters will release.
